

WEATHERTECH PRESENTS IMSA iRACING AT ROAD AMERICA TUNE-IN GRAPHICS

We appreciate you helping us spread the word and encourage tune-in for the WeatherTech Presents IMSA iRacing at Road America broadcast on May 14 via your social and digital channels.

For your convenience, we have included a Dropbox link to the Photoshop file if you would like to customize with your own image, as well as a video for sharing on social media if you prefer.

Please click [here](#) to download the digital assets.

A 30-second promotional video to support the event is available to preview and download here:
[Round 4: WeatherTech Presents IMSA iRacing At Road America](#)

We appreciate your participation in and support of the IMSA iRacing Pro Series.
